eco amenities

Everyday millions of amenities and cosmetics are used in hotels around the world. Research shows that up to 95% of the plastic used in your hotel room end up in landfill where they sit for hundreds of years. Many hotels are hearing the message and take initiatives to reduce their use of polluting and wasteful materials, in particular, plastic!

Premium wooden Amenities

Environmentally-friendly with premium look, choose our wooden amenities ranging from combs, toothbrushes, bamboo straws and shavers.
